High Luck Clothing (HLCK.co) is a clothing brand inspired by local brands in the Philippines. While offering designs that are fit to aesthetics and swags. HLCK aims to inspire its wearers to keep hustling and grinding in the real world.

With the growing community of online shoppers. High Luck also aims to provide a smooth and quality shopping experience. From user experience down to the comfy prices that everyone can afford. Its target users are online shoppers that are looking for clothing that is affordable, especially for students, while also providing the “*style that pays*”.
